

# WORSHIPING ON THE LORD'S DAY

April 11, 2021

*Worship, as God intended, is a supernatural event. As we enter into this service of worship, we cross the threshold of the secular to the sacred, from the common to the uncommon, from the profane to the holy. Prepare yourself therefore for this most holy convocation!*

We Confess Our Sin

Blessed Lord Jesus, no human mind could conceive or invent the gospel. Acting in eternal grace, You are both its messenger and its message, lived out on earth through infinite compassion, applying Your life to insult, injury, and death, that we might be redeemed, ransomed, and freed. Blessed be You, O Father, for contriving this way, eternal thanks to You, O Lamb of God, for opening this way, praise everlasting to You, O Holy Spirit, for applying this way to our heart.

Glorious Trinity, impress the gospel on our soul, until its virtue diffuses every faculty; let it be heard, acknowledged, professed, and felt. Teach us to secure this mighty blessing; help us to give up every darling lust, to submit heart and life to its command, to have it in our will, controlling our affections, molding our understanding; to adhere strictly to the standards of true religion, not departing from them in any instance, nor for any advantage in order to escape evil, inconvenience or danger. Take us to the cross to seek glory from its infamy; strip us of every pleasing pretense of righteousness by our own doings.

O gracious Redeemer, we have neglected You too long, often crucified You, crucified You afresh by our impenitence, put You to open shame. We thank You for the patience that

has borne with us so long, and for the grace that now makes us willing to be Yours. O unite us to Yourself with inseparable bonds, that nothing may ever draw us back from You, our Lord, our Savior. In Jesus matchless name, Amen!
