

## WORSHIPING ON THE LORD'S DAY

January 28, 2024

*Worship, as God intended, is a supernatural event. As we enter into this service of worship, we cross the threshold of the secular to the sacred, from the common to the uncommon, from the profane to the holy. Prepare yourself therefore for this most holy convocation!*

Prelude

Worship Theme

The Holy Spirit is our Advocate

John 14:16-17: "And I will ask the Father, and He will give you another Advocate, that He may be with you forever; *that* is the Spirit of truth, whom the world cannot receive, because it does not behold Him or know Him, *but* you know Him because He abides with you, and will be in you."

We Confess Our Sin

Lord, we confess before You, how unworthy we have been of all Your goodness; for we are a sinful generation, even as our fathers were. We have sinned, times without number. Our sins of pride, of unbelief, of hasty judgment of Your providence, our neglect of searching Your mind in the Word, our neglect of living by Your word in our daily life, our transgressions and our shortcomings, make against us a great list of accusations.

But we bless You that they will not stand as accusations; for, behold, none can lay anything to the charge of Your people, seeing all was laid on Christ, upon whom the transgression of Your people was laid of old, by Your own hand; and now washed in His precious blood, and clothed in His matchless righteousness, we know that despite our faults, we stand accepted in the Beloved. Amen.
