

WORSHIPING ON THE LORD'S DAY

February 22, 2026

Worship, as God intended, is a supernatural event. As we enter into this service of worship, we cross the threshold of the secular to the sacred, from the common to the uncommon, from the profane to the holy. Prepare yourself therefore for this most holy convocation!

Prelude

Worship Theme

God is the Creator

Job 38:4-11: "Where were you when I laid the foundation of the earth? Tell *Me*, if you have understanding, who set its measurements, since you know? Or who stretched the line on it? On what were its bases sunk? Or who laid its cornerstone, when the morning stars sang together, and all the sons of God shouted for joy? Or *who* enclosed the sea with doors, when, bursting forth, it went out from the womb; when I made a cloud its garment, and thick darkness its swaddling band, and I placed boundaries on it, and I set a bolt and doors, and I said, "Thus far you shall come, but no farther; and here shall your proud waves stop'?"

We Confess Our Sin

Glorious creator God, maker of heaven and earth, we confess that we have failed to see your significance and worth. We have given ultimate significance to things which cannot save- jobs, family, finances, recreation, human approval and love. We have turned Your good gifts into "gods", idols we worship. When others threaten or take away these things- things we believe we cannot live without- we fight, quarrel, lash out in rage, and commit murder in our hearts. When we see our sin, we are presented with a list of accusations. When our hearts are exposed, we feel ashamed. When we try to make ourselves better, to heal and cleanse ourselves- we end up weary, exhausted, and in despair. We need more than rules and a good example. We need a Redeemer. We cannot save ourselves. We run to Jesus as our refuge, our identity, our substitute- who took our guilt and shame. Amen.
