

WORSHIPING ON THE LORD'S DAY

August 30, 2026

Worship, as God intended, is a supernatural event. As we enter into this service of worship, we cross the threshold of the secular to the sacred, from the common to the uncommon, from the profane to the holy. Prepare yourself therefore for this most holy convocation!

God is a Warrior

Isaiah 42:10-13: "Sing to the Lord a new song, *sing* His praise from the end of the earth! You who go down to the sea, and all that is in it. You islands and those who dwell on them. Let the wilderness and its cities lift up *their* voices, the settlements where Kedar inhabits. Let the inhabitants of Sela sing aloud, let them shout for joy from the tops of the mountains. Let them give glory to the Lord, and declare His praise in the coastlands. The Lord will go forth like a warrior, He will arouse *His* zeal like a man of war. He will utter a shout, yes, He will raise a war cry. He will prevail against His enemies."

We Confess Our Sin

Great God of creation, we confess that we have failed to appreciate rightly, your eternal power and divine nature, even though they can be clearly seen through what has been made. Nor have we perceived and praised you properly, for the grace, wisdom, mercy, and love you have demonstrated in our redemption.

But because of these very qualities, we ask your forgiveness, for Jesus' sake, and pray that you would enlighten the eyes of our hearts more and more, not only to see your glory in creation and redemption, but to respond more fully in worship, love, and obedience. This we pray through Christ, our Lord. Amen.
